Light Cruiser - Third Sendai class ship
Naka-chan
First of the Sendai trio. Everyone's idol. Naka-chan!
Seems to have the goal of becoming like Lin Minmay.

Light Cruiser - Second Sendai class ship
Jintan-chan
Second of the Sendai trio. Often cowering so she doesn't get dragged around.
Because Sendai hasn't been doing anything lately she's been glued to Naka.

Light Cruiser - First Sendai class ship
Sendai-chan
Third of the Sendai trio. Loves small dark spaces. Has trouble functioning at day.
Main period of activity is during everyone's nap.

Battlecruiser - Third Kongou class ship
Haruna-chan
Very polite and well behaved. Although she has the air of an ojou-sama she lives very modestly.
(Historically Haruna was built in a commercial shipyard.)

Battlecruiser - First Kongou class ship
Kongou-chan
Kongou de~su! Came from the United Kingdom desu!
Staying at Haruna's house for now!
Loves black ~co desu!

Destroyer - First Fubuki class ship
Fubuki-chan
KanColle's official main character. Having her appear this time was great! She had to go out with a bang.
(Historically she was sunk when her ammo storage exploded after being hit.)

Destroyer - Fourth Fubuki class ship
Miyuki-chan
Crashed. Often crashes into Inazuma-chan. Don't know why she always crashes.

Fleet Carrier • First Akagi class ship
Akagi sensei
Everyone's kind and gentle Akagi sensei.
Lately lunches seem entirely devoid of their bawls.
I wonder if it's because she ate it all...?

Fleet Carrier • First Kaga class ship
Kaga sensei
Acts reserved and composed but loves the Admiral and Akagi sensei.
Seems like she was exceptionally skilled at academics and sports when she was younger.

Fleet Carrier • First Shoukaku class ship
Shoukaku sensei
Zukaku sensei's older sister. Don't know why Kaga sensei hates her.
Very unlucky.

Fleet Carrier • Second Shoukaku class ship
Zukaku sensei
Shoukaku sensei's younger sister. Don't know why Kaga sensei hates her.
Very lucky.

Destroyer • Fourth Akatsuki class ship
Inazuma-chan
Ikazuchi's twin little sister. Loves to draw and is a bit of an airhead.
Lately her favorite thing to do is to help Ikazuchi play pranks.

Destroyer • Third Akatsuki class ship
Ikazuchi-chan
Inazuma's twin older sister. Curious about everything.
She has a very good relationship with Inazuma and is always full of energy.

Destroyer • First Shimakaze class ship
Shimakaze-chan
Only child. Loves to talk with Rensouhou-chan.
Fast. Very fast.
